FEATURES

Brand New Windows Experience with Touch

Designed to deliver the best touch experience, the Satellite S40t's 14.0" Clear SuperView display is not only brighter, it is also equipped with an anti-finger print hard coat to ensure the screen stays securely propped when touched.

Toshiba HDD Accelerator

Gain access to your favourite apps and programs by up to 60% faster, thanks to Toshiba's new HDD Accelerator technology that cleverly employs system memory for quicker response.

Performance NVIDIA® GeForce® 700 Series graphics processor ^

Capable of up to 5x the performance of onboard graphics, the NVIDIA® GeForce® GT 740M dedicated graphics processor delivers superior 3D performance in a small energy footprint with Optimus™ technology.

^ optional

Great Sound with Onkyo Speakers

Enjoy the best of audio harmony featuring rich bass and crisp vocals with quality Onkyo speakers and DTS Sound™ Technology.

Long-lasting Battery

The notebook PC comes equipped with next-generation lithium-ion prismatic battery that is not just lighter, but also enables up to 1,000 charge and discharge cycles before it reaches 80% of original battery capacity.

Greater Usability

Ergonomically designed tile keyboard ensures great typing comfort while the large ClickPad™ with multi-gesture support complements Windows 8's new interface. Additionally, Toshiba USB Sleep & Charge enables you to charge your mobile devices even when the notebook PC is switched off.

19mm pitch, full sized keyboard keys for finger comfort
